• Area drains	<input type="checkbox"/>	<input type="checkbox"/>
• Fresh air vent	<input type="checkbox"/>	<input type="checkbox"/>

Manhole location: _____

Explain below the circumstances of any violation: _____

PART B: Video Camera Inspection

Brentwood Borough requires a video camera to be inserted into and travel throughout the private lateral sewer line to determine if any illegal storm water, ground water, or surface water is entering the sanitary sewer system. The plumber must denote any defects in the private lateral, including cracks, root intrusion, or open joints that may allow water to enter the sanitary sewer system. The plumber must provide a DVD copy of the inspection results. All final decisions related to repair requirements will be made by the Borough.

Defects sighted? Yes No

If yes, explain: _____
